

Creating a Mission Statement Discussion Sheet

List the following:

(Record the first thoughts that come to mind. No censoring or editing.)

1. 5 things you are most passionate about.
2. 5 of your core values.
3. What would your life look like when you are living by your core values?
4. What would your family become in order for you to declare it a success?
5. What are the things you would dare to accomplish if you knew you could not fail?
